LEARNING JOURNEY

This week we have been busy learning about Autumn. We looked at a slideshow about activities people do in Autumn. We also looked at the weather patterns and leaves changing colour.

Next week we will revise all the seasons and make trees with junk material.

MATHS

This week we have been making patterns with shapes and making pictures using the shapes.

We also focused on counting the corners and sides of different shapes.

REMINDERS

School finishes at 10.30am on Friday 19th December.

LITERACY

This week we have been practising our rhyming words with various letters and sounds games.

Next week we will focus on initial sound in words. We will play various games and activities on listening to and saying the initial sounds in words.

PERSONAL GOALS

Throughout November & December our third iCAN personal goal is COOPERATION.

We will all be encouraging members of iCAN to be more cooperative by:

- Sharing ideas in teams & working together in groups
- Using cooperative learning structures to work together as a class or team
- Listening to our friends & helping others
- Getting the best from teamwork
- Appreciating the ideas and work of others

STARS

I've been sharing and playing nicely with my friends.

I have been an excellent listener during mat time.

I was a fantastic listener in my PE lesson.

I have been working hard blowing bubbles in the
