LEARNING JOURNEY

We have been learning all about Cambodia. This week we have looked at different places in Cambodia. We talked and wrote about our favourite place in Cambodia. Next week is our last week on this topic. On Monday 15th after school come and look at our Learning Wall and ask us all the things we have learned this topic.

MATHS

We have been learning to find one more and one less than a given number.
We have been writing this down as a number sum. We have enjoyed counting and writing the number sums for people getting on and off our class bus!

PERSONAL GOALS

Throughout November & December our third iCAN personal goal is COOPERATION.
We will all be encouraging members of iCAN to be more cooperative by:
• Sharing ideas in teams & working together in groups
• Using cooperative learning structures to work together as a class or team
• Listening to our friends & helping others
• Getting the best from teamwork
• Appreciating the ideas and work of others

LITERACY

In phonics we have been recapping all of the Phase 2 sounds. We have learned the high frequency words if, off, can, & on.
Next week we will continue to recap Phase 2 sounds.

REMINDERS

Monday 15th & Friday 19th December we will finish the school day at 11:30am
School Council Christmas Party is during lunch time on Wednesday 17th December.

WEBSITE OF THE WEEK

www.phonicsplay.com

I was very sensible when using the iPad to take a photograph.

I have been able to blend the sounds together and write CVC words.

I wrote a fantastic sentence about my favourite place at school.

I have been trying very hard to recognise the letter sounds and write them in cursive.
