To inspire every child to recognise their full potential, believe they can make a difference and respect themselves, others and the world in which they live.

LEARNING JOURNEY
For the past two weeks we learned about the life cycle of a butterfly. We read the story ‘The very hungry caterpillar’ by Eric Carle and we retold the story and drew a story map in our journal. We also created fantastic artwork of a life cycle of a butterfly with different pastas and lentils.

This week we continued with colouring the butterflies and trying to camouflage them with our classroom and outdoor environment. Later we took turn to find them. It was great fun looking for them.

REMINDERS
Please bring in any clean and empty cardboards boxes and plastic food containers, bottles, yoghurt pots, newspaper etc. so our classes can create fantastic environmentally friendly models.

LITERACY
In phonics Ms. Vijaya’s phonics group have been learning the diagraphs z qu sh ch ee
In Ms. Becky’s phonics group we have been practising segmenting and blending CVC words.
In Ms. Gemma’s group we have been learning the letter sounds m and g.

MATHS
For the past 2 weeks we created symmetrical patterns on the templates of the butterfly wings and on sunflowers.

PERSONAL GOALS
Throughout February our fifth iCAN personal goal is MORALITY.
We will all be encouraging members of iCAN to be more moral by:
• Playing sensibly with friends
• Knowing how to behave
• Thinking about what is best
• Thinking through things and making good choices
• Avoiding peer pressure and treating others in the right way
• Knowing what is right and what is wrong

STARS
I have been doing a fantastic job of painting the butterfly wings in a symmetrical patterns.
I have been drawing symmetrical butterfly wings.
I have been really good at asking how my friends are feeling during our day openers.
I have written fantastically about how to grow a plant.
