To inspire every child to recognise their full potential, believe they can make a difference and respect themselves, others and the world in which they live.

LEARNING JOURNEY
This week we had our Exit Point where we enjoyed watering the garden. On Tuesday we had our Entry Point to start our new topic ‘Dinosaurs’. We were palaeontologists and went on a dinosaur dig to find dinosaur bones. We then put all the bones together to see which dinosaur it made.

MATHS
This week in maths we have been learning all about time.
Next week we will be learning all about estimating.

REMINDERS
RV and RB joint class assembly is on Wednesday 6th May

Next week is Book Week. On Thursday children can come dressed as a character from a book.

LITERACY
In phonics Ms. Becky’s phonics group have been learning the ‘oa’ and ‘ai’ sound.
Ms Gemma’s group have learned ‘z’ and ‘x’.
Ms Vijaya’s groups have been practising blending and segmenting.

PERSONAL GOALS
Throughout March our sixth iCAN personal goal is RESILIENCE.
We will all be encouraging members of iCAN to be more resilient by:
• Keep trying
• Recognising obstacles and finding ways to overcome them
• Thinking positively
• Using trial and error to solve problems without giving up
• Thinking of different ways to help their learning
• Asking for help if they get stuck

I wrote super number sentences.
I wrote all about my holiday news.
I have settled in well to my new class.
I worked really hard to find dinosaur bones!
