To inspire every child to recognise their full potential, believe they can make a difference and respect themselves, others and the world in which they live.

LEARNING JOURNEY
Do you remember we learned about features of a city? And that we visited different places in New York? Have you seen the great models we made about New York? They look fantastic!
This week we learned about another way of communication: Morse Code. Before we could communicate secret messages, we had to learn how to make electrical circuits. There was some great learning going on about how to turn on a light bulb using only wires, a battery and a switch.

REMINdERS
Next week 23rd-27th March the new round of After School Activities will start and run for 8 weeks!
Friday 27th March
Family Coffee morning with our Leaders for Learning.

WEBSITE OF THE WEEK
www.phonicsplay.com

MATHS
This week we have been sharing out sweets to learn how to halve numbers! Once we learned how to halve any even number below 20, we used our problem solving skills to solve problems all over the school by counting objects and halving them.

LITERACY
During Book Week we heard the story of the Wizard of Oz. We made beautiful collages of the story and put them along the yellow brick road. We retold the story with somebody from Year 2 while we walked along the road. We learned a lot about the different characters and the things they do in the story. Because we know so much about the Wizard of Oz now, we wrote our version of the story this week. You can read them in our writing journeys!

PERSONAL GOALS
Throughout March our sixth iCAN personal goal is RESILIENCE.
We will all be encouraging members of iCAN to be more resilient by:
• Keep trying
• Recognising obstacles and finding ways to overcome them
• Thinking positively
• Using trial and error to solve problems without giving up
• Thinking of different ways to help their learning
• Asking for help if they get stuck

I have done really well at settling in to my new class.
I have been using past tense verbs to talk about the Wizard of Oz.
I have done a great job of retelling the story of the Wizard of Oz.
I enthusiastically told the story of the Wizard of Oz.
