To inspire every child to recognise their full potential, believe they can make a difference and respect themselves, others and the world in which they live.

LEARNING JOURNEY

Being Human has really tested our ability to plan and investigate scientific questions. We had great fun finding out if sight or smell affected how well we could taste. We blindfolded our partner and made them try different foods, which they had to guess the name of. We also made them pinch their nose to stop them being able to smell too! We found out that our sense of smell affected how well we could taste the food!

WEB SITE OF THE WEEK

www.o2learn.co.uk/o2_video.php?vid=435

MATHS

We have been finding out about measurement. We have been estimating and measuring the capacity of different jars, bottles and tubs. We then learned how to convert these measurements into different units, from millilitres to litres. This week we have moved onto measuring angles using a protractor!

PERSONAL GOALS

Throughout March our sixth iCAN personal goal is RESILIENCE.

We will all be encouraging members of iCAN to be more resilient by:

• Keep trying
• Recognising obstacles and finding ways to overcome them
• Thinking positively
• Using trial and error to solve problems without giving up
• Thinking of different ways to help their learning
• Asking for help if they get stuck

LEARNING JOURNEY

REMINDERS

Our next Family Coffee Morning will be next Friday 27th March. See you there at 7:30am

Keep reading at home! Remember to fill out your reading log each night!

LITERACY

Book Week was the perfect opportunity for both Year 5 classes to mix together for our learning. We split into groups of 5 and were given the task to create our own picture book for younger children. The story line was based on our personal goal of Morality. Next week, we are reading the stories to Reception and Year 1.

I wrote an excellent explanation of the digestive system.

I wrote an excellent explanation text about penguins.

I worked hard to make a children’s story book.

I try my best in all subjects!
