# Year 1 Weekly News

## Star of The Week!

- 1S: Jared - for sitting nicely on the carpet during lessons
- 1P: Jaímie for being cheerful and trying hard to finish her class work.

## Literacy:

Year 1 have spent the week researching animals and writing facts about them to make a mini book on the animal of their choice. They looked for fascinating facts, interesting images and excellent examples of animal knowledge that they could write about.

## Maths:

Maths this week has been all about adding and subtracting. The children are learning the Different words they can use to describe these operations, like *plus, minus, take-away and more* as well as using them to solve problems.

## ICT

This week we used Microsoft Word to practise typing skills. Then, when we come to writing our animal book in Literacy we will be able to make them look really bright and eye-catchingly readable!

## Geography

Mr. Paul and Ms. Sarah came up with a brilliant idea of making our own Igloos using sugar cubes instead of ice. We tried it without glue (because Eskimos don't use glue!) and worked together to get the wall to stay together by carefully placing the

## Science

We have been beginning to learn about the life-cycle of plants this week. We know the names of the main parts of a plant and soon we will know about the various stages a plant goes through before it is fully grown.

## PE Kits

Our dashing new iCAN PE Kits

are close to arriving but for now on days when your child has PE please ensure they bring in a spare set of shorts and T-shirt for them to play sports and games in. This ensures their day clothes do not become damaged and means they will have clean clothes to change into after what might have been a sweaty session!
