

The Year 6 Newsletter!

Literacy

This week has been full of creativity! Book week has been a fantastic time for us to find out about Tigers and their cause after reading the story, "Tiger, Tiger, why do you hide?" written by Ann Light and Kit Whitney. We have been very busy creating different books, masks and games for a story sack which will go to the Children at Hope Orphanage.

Numeracy

We are now investigating data and how to interpret and present different graphs and frequency charts! We have been using compasses and protractors to create our own pie graphs. We also designed some 'Top Trump' cards as part of our 'Story sack' for book week. The children had to create a character with powers that combine to equal 100.

Star of the Week!

Congratulations to **KUN WOO** who wowed us with his translation of a Korean story!

Notices

If your child/ren has/have grown out of their clothes but they are in good condition we would really appreciate it if you could bring the clothes to school so that we can donate them to an NGO that we have links with in Banteay Meanchey in the NW of the country. They are supporting 60 children from very poor families from 6 years old to go to school and would like to be able to give each child a new outfit to wear at Khmer New Year. The clothes will be collected in the first week of April. Thank you for your help.

Book Week Fun!

We have also been studying the author, Neil Gaiman. One of his stories, "The wolves in the walls" is an interesting and quirky story which we really enjoyed. We will continue to study his texts and read, "The day I swapped my Dad for 2 goldfish" next week!

Learning Journey

As part of our study of the mountain ranges we have looked at where in the world tigers are found in theme with our book study. We found the interesting fact that Tigers are only found in Asia!

There will be a movie night for Year 6/7/8 next Thursday evening!
Details to come 😊
