

The Year 6 Newsletter!

Literacy

We have begun to look at different types of information guides. We have considered tour guides, online travel guides, brochures, books, audio guides, magazines and the features they include. Next week we will be creating our own guides in preparation for the up coming trip to Koh Chang!

Numeracy

We have been investigating angles this week and practising how to find missing angles when we have only limited information by using the rules we know. Eg. All angles in a triangle add to 180 degrees, sum of angles around a point (360 degrees), angles on a line add to 180 degrees, opposite angles.

Star of the Week!

Congratulations Mail!
You are our star of the week for your fantastic progress in French! OUI!

Notices

- Maths week- we will be holding a stall on Monday after school selling our delicious cookies! Please come and support us.
- Class trip 8th -12th Feb

P.S.H.c.E.

We have combined our 'Good to be me' unit with our 'Talking textiles' unit to begin creating the story of our lives on canvas. We have been identifying the things about ourselves that we are proud of.

iSpace Website of the week

Challenge yourself with these fun maths activities designed by children, for children!

Learning Journey

We have been continuing with researching Victorians everyday lives as well as investigating the buildings in Phnom Penh that remain from the 1800's.
