

Questions of the week

Is Jesus still alive? (anonymous Year 7 student)

Year 7 and 8

22 January 2010

Learning Highlights

- In Maths Year 7 and 8 have been learning about ratio and proportion through lots of word problems and activities.
- English lessons have continued to focus on writing skills. This week we developed introductions and built stories based on a series of pictures. We also practised identifying and correcting common errors of spelling and punctuation.
- Geography classes completed their World Religions passport.
- In PE we had a volleyball skills lesson with a guest teacher—Mr Scott O'Donell, Cambodia's National Football coach
- In Music Year 7 and 8 students are learning how to write music and have continued with their rhythm and drumming unit.
- Our Design and Technology project culminated this week in groups presentations to a four-person panel. The panel members were very impressed with the originality, imagination and excellent presentation skills of the students.

Upcoming Events

Shopping excursion to Lucky Supermarket
Tuesday 26th January 8am

The Maths class will be investigating quantity and proportion.

Mekong River Swim Trials

Friday 29th January

The trials will be held during the KS3 swimming lesson.

Thailand Trip

8th—12th February

Everyone was given forms for parents to sign regarding passport details. Students also received information about what they are to take on the trip.

Maths Week

25th—29th January

KS3 will be focusing on proportion and ratio for Maths week. They will be preparing a food stall and making dumplings and crepes to sell on Monday afternoon

Curriculum

French

Ms Lynda

French, KS3

Block 4 will be a very busy block for Y7 and 8. They will learn about:

- school subjects and how to express their feelings about them
- some important grammar rules including possessions and articles.
- reading the time, and parts in the day.

We will also begin to evaluate our learning to see our progress in the language and identify our strengths and weaknesses.

We hope that this teaching block will be instructive as well as exciting!

Ms Lynda

Key Stage 3 Amazing Awards

Sarah received a Language Champion award for outstanding achievements in French this year

Key Stage 3 Amazing Awards

For the second week in a row, and with a total of three amazing awards so far this year, An once again was recognized for his outstanding learning. This week he received an award for his achievements in Chinese
