

We celebrated the end of our teaching block on Transport with a visit from a tuk tuk! The children had great fun riding around our playground and then all worked together to make it super clean and shiny!

This teaching block we are focusing on the topic of Farm Animals and Pets. The children have loved playing with our new farm set, and with adult support they are developing their story telling skills. Outside we have been developing our balancing and throwing and catching skills. The new egg and spoon game has proved to be very popular. We have also loved exploring different textures in our new Tuff Spot trays.

### At Home...

Talk to your child about the different farm animals. Can they make the different noises? Have fun singing Old MacDonald Has A Farm together.

### Reminders...

The EYFS Sports Day will not take place on 9th December as advertised in the school calendar. A later date for this event will be confirmed.

### Next week...

We will be looking at the story of the Three Little Pigs. Outside we will make our own building site where the children will be able to dress up as the characters and use a range of construction toys to build.

We will work in small groups, using puppets and small world toys to encourage the children to retell the story.

The children will continue to develop their mark-making skills by using shaving foam and corn flour gloop. We will also be exploring the texture of clay.
