

### This Week ...

iCAN PLAY have loved our Transport topic so far. We have been making wonderful patterns with the paint and car wheels. Our role play area has been transformed into a train and the children have been off on imaginary adventures to places they are familiar with. We have been listening to a variety of books about travelling and the children have loved learning new songs with Mr. Andy. The children are learning to count and sort vehicles by colour.

### At Home...

Sing transport songs with your child such as 'The wheels on the bus go round and round'.

Talk about how you travel to school.

### Next week...

We will continue to learn about land transport. Outside we will make a garage for the bikes and add our number plates. We will take part in circle time activities to develop our listening skills and to help learn everyone's name. We will also be making delicious transport cookies. We will use our junk to make our own cars. We will practise our throwing skills and develop shape recognition outside as we throw the beanbags through the shape hoops.

### Reminders...

If you have any empty and clean bottles or boxes we would be very grateful to put them to good use in our workshop area.

Thank you.

Ms. Maggie,  
Ms. Lily and the  
iCAN PLAY team

...learning through **PLAY**
