## STAFF NEWS SPECIAL

Dear Parents & Carers,

At iCAN we never stand still, we are always moving forwards which is why it is such an exciting and dynamic place to be. We are really looking forward to enjoying our new playground at the start of the new school year. It is going to be amazing and I get a little thrill every time I walk past the grassy area.

The building plans for the holidays currently include;

- Creating new classrooms above iCHING and remodelling the apartment block behind school over the summer holidays to create new learning spaces for our young people in KS3.

At the heart of every new plan, purchase or development is the desire to enhance and improve the learning environment and learning experience for our children. At iCAN we really want them to have the very best.

I would like to thank you all for your feedback and support throughout the year and look forward to working in partnership with you again next year.

Have a great holiday! Ms. Lori

# MOVING ON ... GOODBYE, GOOD LUCK & THANK YOU!

Mr. Sam who brought bounce, iSPACE and radio club to iCAN will be setting off on his next adventure to teach in Kenya.

Ms. Rachael will be staying in Phnom Penh to care for young people at Children of Hope and also teach at HOPE School next year.

Ms. Donna who brought School Council and ran two great Book Weeks will be going to teach in

Caracas, Venezuela.

Mr Nathan will be returning to Tasmania to spend some time with his family, after being overseas for several years.

Ms. Emily and Mr. Den, who left at the end of their contracts in 2008 and then returned to iCAN this year, will be heading back to the U.K. It has been fantastic having them back and they are certainly leaving behind more than they could ever take. Emily took on the acting Vice Principal role whilst Mr. David was on his sabbatical and she did an amazing job. iCAN PLAY has thrived under her magic touch.

Den has brought a special something to iCAN and will be missed.

Emily will be back for a few weeks in August to support our new EYFS team as they start the new school year.

Ms. Sarah who stepped in last school year to cover Nour's maternity leave and has been with us ever since. She has been a real asset to iCAN, but she is now off to teach in Uganda

Ms. Kathryn, who was our Head of Early Years in 2008-9, has been on maternity leave this year, she was hoping to return in January 2010. However as a result of continued ill health following the birth of William she will not be returning to iCAN. We are all really sad as she was a very important part of iCAN and we did not have the opportunity to say goodbye properly. We wish her luck and good health in the future.

We obviously have very mixed feelings at this time of year, sad that teachers are leaving but also happy for them that they are moving on to further develop their careers. We thank them for all they have brought to iCAN.

At this time of year children move on to new countries and new schools. We will all miss these children and their families, but wish them all the best for the future.
