**EDDIE THE PENGUIN Special**

Dear Parents and Carers,

I didn't think that this teaching block would be as busy as teaching block 3 but I was mistaken, with both Y5 and Y6 going off on their residential trips, Y3/4 and KS3 movie nights, the Y3/4 sleepovers, the dragon dancing and the KS1 production. It was another action packed teaching block.

I hope that the families who came to join the kite flying picnic earlier in the teaching block enjoyed it as much as the iCAN staff did. There were some incredibly funny moments during the morning and thankfully there was lots of wind.

Although we are just a little more than half way through the school year we are busily recruiting staff both overseas and locally to join the iCAN team next year. We have been amazed by the outstanding calibre of the applicants. We will keep you informed of our progress.

I am looking forward to seeing you all at the Sports Day events in March, make sure you all get in lots of practice for the parents races, I am reliably informed that the competition will be strong!

Start running now!

**Ms. Lori**

# Give A Gift Who Will Village

Thank you to all the members of our iCAN Community who donated gifts in our December 2010 'Give A Gift' Appeal. This was the 7th year that we have held this appeal and your support was greater than ever. Your gifts were delivered by Santa's little iCAN helpers to HAP & Who Will!

To inspire every child to recognise their full potential, believe they can make a difference and respect themselves, others and the world in which they live.

# Give A Gift **HAP**

Staff, children and parents travelled to HAP & Who Will to deliver your gifts to the children.

As you can see from these photos, your gifts put smiles on lots of children's faces. Thank you from the bottom of our hearts.

Not only did the children enjoy receiving and unwrapping your gifts, they also celebrated with a Christmas party!

To inspire every child to recognise their full potential, believe they can make a difference and respect themselves, others and the world in which they live.

# Reception **Volcanoes & Dinosaurs**

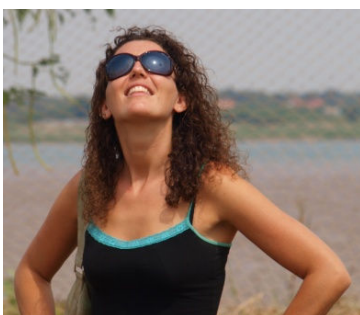

The children in our Reception classes have been having lots of fun this teaching block finding out about dinosaurs and volcanoes. They even got the chance to make their own mini-volcanoes and watch the dinosaurs scatter as they erupted! Most of them managed to survive the life-threatening lava and made it back into the topic box to be played with again the next day!

# Family Social Kite Flying Picnic

Up, up and  
away ...

time!

# Key Stage 1 Production

Our Key Stage 1 children and adults worked incredibly hard to put on such a professional performance last week!

Eddie the penguin certainly did save the world with all of his environmental top-tips! Let's hope we can all remember them!

Eddie and his friends shared a very important message with us about global warming. They reminded us about recycling and conserving energy in our homes.

The actors looked great in their costumes and make-up! Which was your favourite character?

# Key Stage 1 Production

Where is  
Eddie  
going?  
Brazil?  
U.S.A.?  
U.K.?  
or  
another  
country?

When Eddie and his friends visited the U.K. they sang a song to encourage everyone to find environmentally friendly alternatives to always using a car for short journeys ... maybe we could walk ... or scoot on a scooter ... or even ride a bicycle to school instead!

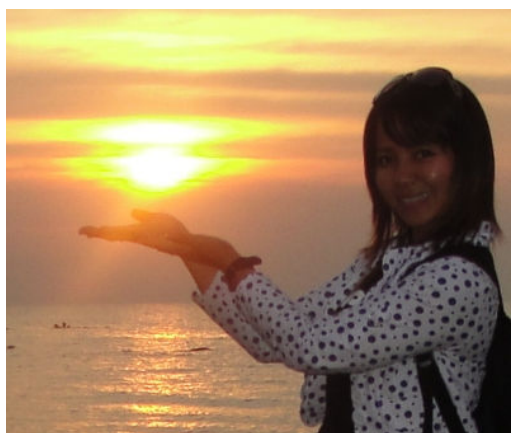

Beautiful  
smiles!

# Year 5 Kep & Kampot

Year 5 went on their first ever residential visit this teaching block, travelling with Mr. Paul, Ms. Rattana, Ms. Olly, Ms. Kanha and Ms. Leakena to Kampot & Kep.

They were the first ever group from iCAN to enjoy the sailing opportunity in Kep!

# Year 5 Kep & Kampot

As you can see from the photos here Year 5 were kept busy ... weaving ... swimming ... sailing ... milling ... playing pool ... walking ... painting ... bending ... posing ... eating ... and SLEEPING!

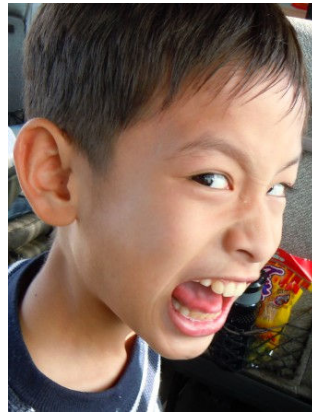

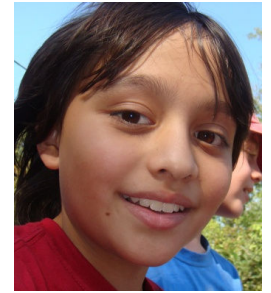

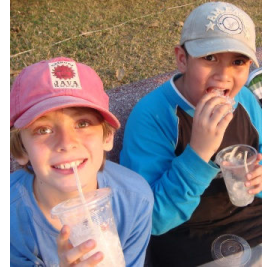

Next year when they are in Year 6 they will be visiting Siem Reap & Battambang!

To inspire every child to recognise their full potential, believe they can make a difference and respect themselves, others and the world in which they live.

# Year 6 Siem Reap & Battambang

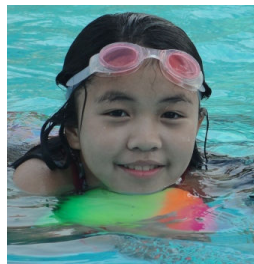

Year 6 enjoyed an exciting residential visit to Siem Reap & Battambang recently. Unfortunately Ms. Andrea was sick, so Mr. David quickly packed his bag and joined them, along with Mr. James, Ms. Lahkena and Ms. Leakena for an action packed learning journey!

# Year 6 Siem Reap & Battambang

Lots of highlights throughout the week, especially the day at the Circus School!

# Chinese New Year Dragons

Towards the end of Teaching Block 4, Ms. Elain's mum organised for the dragon dancers to visit us at iCAN again. The long wait that Friday morning was certainly worth it, as we all enjoyed a truly amazing performance!

so come along and cheer for your favourite **iCAN TEAM!**

Another swim meet has been scheduled at CCC on Saturday 2nd April ... once we have more details we will let our iCAN swim squad know.

The Mekong River Swim draws enthusiasts from around the world who make a pilgrimage to the Prek Leap Agricultural College just to conquer the mighty Mekong river. All in good fun but with plenty of prizes and a myriad of smiling faces, the Mekong River Swim has become increasingly popular since its humble beginnings back in 1995.

Last year the event didn't take place, for the first time in 15 years. In 2011 the Mekong River Swim is back and will be held on **Sunday 3rd April!**

Our iCAN team have taken over the organisation and running of the annual Mekong River Swim in 2011. As in previous years, the Swim will be at the Prek Leap Agricultural College, about 6km outside Phnom Penh, over the Japanese Bridge.

The swim is open to anyone wishing to participate. In 2009 over 160 swimmers from numerous countries and aged from 10-71, joined the event and it was enjoyed by a large contingent of enthusiastic spectators. Competitors swim 650 meters across the Mekong, and return to the starting point by boat. Spectator boats will be available for those who prefer a more leisurely crossing.

If you would like to get involved by volunteering, sponsoring or participating in the Mekong River Swim 2011, then please contact The Swim Team at:

**mekongriverswim@yahoo.com**

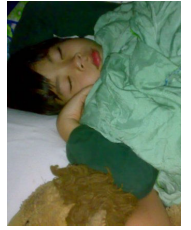

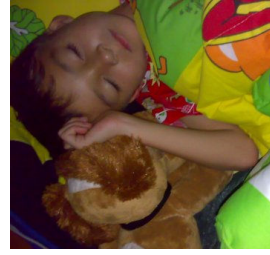

Ms. Becky in our school office also has registration forms. Places are limited and will be allocated on a first come, first served basis.
